

MIG Working Committee Meeting
3:30-6:30 p.m., Wednesday, June 11
Multi-Purpose Room, Morro Bay Community Center

Further Discussion of Otters

Greg Sanders, otter recovery coordinator, U.S. Fish and Wildlife Service

- What's happening with the otter population?
- How are government agencies dealing with the interaction of the otters and the fisheries?

Review of Recent Workshops

- What has the Working Committee learned?
- What are the evolving issues of principal concern?

Next Steps for MIG

- What further activities (workshops, etc.) are desirable?
- What's a preliminary schedule for summer and fall?

Update on Collaborative Research Project

- What's the status?
- Are we ready to launch this summer?

Note: This workshop will be rebroadcast on Channels 20 and 21 as a public service of Charter Communications. See www.slo-span.org for schedule. Tapes will be available at the San Luis Obispo and Morro Bay libraries.
